Teachings

Maha Vajra's teachings contain wisdom from more than 30 years of experience on a spiritual path. His classes are non-dogmatic, very humoristic and motivated from deep compassion.

The subjects are various and can include:

- Happiness in daily-life
- Awakening and Enlightenment
- Love and Compassion
- Forgiveness and Acceptance
- Humility and Virtues
- Karma, Dharma, and Natural Forces
- Freedom and Responsibility
- Supernatural Abilities

"You cannot control your life, but you can learn how to master yourself."

Become your own master

A spiritual master is someone who masters himself and not others. Maha therefor considers himself as just a tool to inspire his students so they can become their own master. Maha teaches unity. If we are all one, then it makes no sense to have authority or obedience towards a master.

Classes every day from 10 am - 6 pm
with a 3 hour lunch break.
